

I consider KLOVE radio to be a vital part of our life and community and my family listens to their broadcasts a part of every single day. In fact, it is the ONLY radio station I listen to in spite of the variety I have to choose from in my location. Please make sure they are able to transmit uninterrupted broadcasts from all of their stations permanently. They are absolutely the only radio station I have ever heard that provide so much uplifting encouragement, strength, comfort, peace in the midst of the storm. The reduction in 'road rage' alone is immeasurable, and only a hint at the many lives that are being saved every hour and every day by KLOVE radio. Please insure that nothing is allowed to interfere with that, ever. I listen to KLOVE on FM radio at 88.7, 89.7, and 98.3. Thank you for your speedy attention to this matter.
